PRODUCT DESCRIPTION

Introducing the Lumière Light Wall! A combination of innovative silicone-edge graphics and RPL fabric pop ups offers an easier and more cost effective SEG option. This SEG style display has the depth of the RPL so you can expose more of your message using endcap graphics. The Lumière shrinks down in size - simply collapse the geometric frame and the SEG bungeed channel bars, and fold or roll the fabric graphics. Setup can be done by 1 person and in 5-10 minutes. SEG portability is easy and stylish.

SET UP INSTRUCTIONS

(CONFIGURATION C)

Straight Connection (Side Extension)

Adjoin both 4x4 frames, side by side. Place a straight connector directly in the middle (outside channel bar of each frame) of both frames. Turn the dial to the left to lock in place. Repeat for front and back vertical sections (8 total).

L Link Connection (Return Wall)

*Starting from behind, pull the 4x4 graphic away to make space for the L Connector. Place the L Connector onto the channel bars of both frames. Turn the dial to the left to lock the L Connector into place. Repeat for each vertical section (4 total).

Return Wall and Side Extension (Overall)

Adjoin the 3x4 frame perpendicular (90° angle) to the front side of a 4x4 frame. Next, adjoin an additional 4x4 frame on the opposite end of the other 4x4 frame.
